

Holy Girl Paradigm

森 島 明 子

Akiko Moriishima presents

Riri...

I joined an all girls'
school to find a girl to
fall in love with.

Reika-
sama...

Every single day

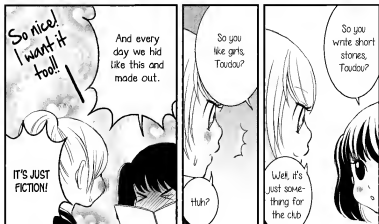

Girl x Girl

Her first yuri

Impression - Delusion

Many traumas

If it's you...

So,
Rin, you
should do
your best
too!

It's because
reality is what
it is that
fiction is born

Of
course it
wouldn't
go as
smoothly
as in a
story,
but...

Yes!

D-Don't
worry! Rin-
san, you're
cute and
interesting!

She's
still a little
influenced
by that
rejection
before

whisper
whisper

She's really
unstable

Up and
down in
a heart-
beat

I'll do
my
best!

I see!
You're
right!

Energy

Caring for
each other
with heart
and soul.

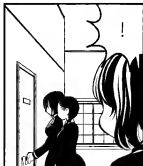

How
nice.

Thank
you very
much.

But
thanks to
you, class rep,
Rin-san has
another thing
to enjoy

I'm glad

The Onee-sama appear again

Just looking...

The story's author.

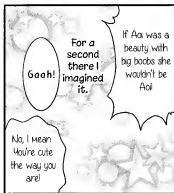

In tears

Don't worry

More

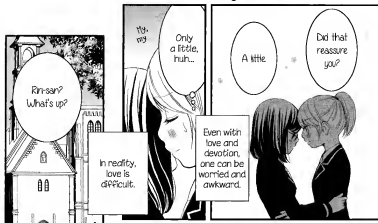

Her real feelings

Even if we're together

Impatient.

Somehow
I feel...

Even if
we're close
together...
